POLICY STATEMENT

LUPS is a parent group. The play schemes are designed to fit the needs of our children. All parents are valued as working partners in the service provision. Their skills and knowledge are fundamental to the well being of the children.

PARENTAL INVOLVEMENT

LUPS aims to continue to support parents at all times.

We will:

- Make new parents aware of the groups systems and policies.
- Encourage parents on an individual basis to play an active part in the management of the group.
- Encourage parents to share information about their child either formally or informally.
- Share information about the child's day in home/school book.

- Ensure that parents have the opportunities to contribute from their own skills, knowledge and interests to the activities of the group.
- Welcome the contributions of parents whatever form these may take.
