Date of Policy Issued/Review	01 March 2022
Name of Chairperson	Juliet Cheriton-Gerard
Signature of Chairperson	
Management Committee Name	Matthew Lewis
Management Committee Signature	
Review date	01 March 2023

POLICY STATEMENT

LUPS aims to make its play schemes open to all families of children in the Hampshire area that have profound physical and/or multiple or learning difficulties or complex needs that require one-to-one support to enable them..

We will:

- Ensure the Play Scheme is known to local special schools, Social Services, Health Visitors and parent carers.
- Keep a place vacant in the event of an emergency placement, on the condition that appropriate staffing levels can be maintained.
- Describe the play scheme in terms, which make it clear that it welcomes mothers and fathers, other relatives and carers, and people from all cultural, ethnic, religious and social groups.
- Make our Equality & Diversity Policy known
- Be flexible about attending patterns to accommodate the needs of all the children and their families.
- Ensure children and young people from outside Hampshire will not exceed 10% of total number of children attending LUPS without agreement of the management committee.

- Staff will be required to fill out application forms, provide references and attend an interview prior to being accepted to work on the play scheme.

Child Admission Criteria

- Have diagnosed profound physical and/or multiple or complex learning difficulties.
- Require continuous one-to-one support.
- Age 2½ - 17 (up until the summer after the young person's 17th birthday).
- Or age 18 – 19: must be in fulltime education, and have attended a LUPS playscheme no less than 18 months prior to their 18th birthday.
- Attendance at, or due to start at, a school catering for additional needs.
 - NB: Priority will be given to pupils attending, or due to attend, a school specifically designated as Severe Learning Disability (SLD).

New Child Admission

The following should be followed for a new child joining LUPS:

- Referral sent to chairperson@lups.co.uk
- LUPS will make contact to establish eligibility (based on the above criteria), and arrange for family to visit LUPS whilst running. If LUPS is the right setting for the child or young person, they will be added to the database and invited to the following playscheme (e.g. if they visit during the Easter playscheme, they will be invited to attend the summer playscheme).
- For children and young people who meet our criteria and live within the Hampshire County Council boundaries, they will pay the standard daily rate, unless they meet the hardship criteria (See below). Children and young people in Hampshire must have a Gateway+ card, which is required for them to be eligible at the standard daily parental contribution rate. If a Gateway+ card is not made available to LUPS, then the full daily rate of £80.00 will be required.
- For children and young people who meet our criteria and live or attend school outside Hampshire (Including Portsmouth/Southampton) and not holding a HCC Gateway+ Card will be required to provide the full cost of £80.00 to access the play scheme. If a child or young person is not from within the HCC catchment area (i.e. Portsmouth, Southampton) then that family will need to either pay in full or seek additional funding from within their county, which would need to be agreed in writing prior to LUPS's

deadline. Please contact the LUPS Chairperson to discuss further if required.

- Subsidised daily rate - £18

Hardship Criteria

LUPS aims to ensure all families can access the scheme/activity whatever their circumstances; so, some parents may need to approach us about paying a lower parental contribution. We have to consider the demographic of the local area we are offering the service in when deciding how to plan for hardship provision, as this will be more of a consideration in some areas than in others.

Families with a disabled child will often have additional financial pressures too for various reasons. Some of the families that will most likely be in need are:

- In receipt of income support, any element of child tax credit other than the family element of working tax credit, income-based job seekers allowance, or income related employment support allowance.
- **And** earning a total household income from all sources of under £16,000

Families who meet the criteria for Hardship funding are expected to pay 50% of the daily rate. For subsequent children attending from the same family, they are expected to pay 75% of the daily rate.

NB: All families will be made welcome, and finance is not a criterion for admission – please contact the LUPS Chairperson if you feel finances are a barrier to your child or young person attending the playscheme.

New Staff Admission

New volunteers should contact the Playscheme Manager, who will send them email an application form and associated documents. New volunteers must be aged 15 or have met the age of 15 by time they have completed their voluntary period.

New volunteers have to provide at least 2 references, which will be taken up as part of our safeguarding policy and proof of eligibility to work within the UK. Copies of these will be held in the relevant Staff personal file. The acceptable forms of ID can be found in Appendix 1.

All staff aged 16+ must have an Enhanced DBS (at LUPS' expense).

New volunteers will undergo an interview to check their ability/suitability to work with the children and young people.

New volunteers will carry out a minimum of 3 days voluntary training with LUPS prior to being taken on as a Trainee Play Assistant. All volunteers must display the evidence to suggest they are able to provide a safe, fun and interactive day with the children they are placed with. They should also demonstrate a clear understanding of policies. Safeguarding, and show they are able to be an effective team member.
